Re: *Web Tracking Solutions, LLC and Daniel Wexler v. Google Inc.*, No. 1:08-cv-03139

Your Honor:

The parties conferred again today and made additional progress on claim construction. In order to incorporate that progress into their respective submissions, the parties jointly request a final one day extension to Wednesday, March 17th to file their opening *Markman* briefs. The parties do not currently request any change in the due date for responsive *Markman* briefs (April 9th).

The parties appreciate your consideration of this final extension.

Respectfully submitted,

/s/ Steven M. Hayes
